Workshop Description

During this workshop, you will learn to play and paint. Pouring watercolor takes away some of the control and lets the watercolor do what it does in a beautiful way. You will learn to create luminous paintings using layers of pours. Lots of information will be shared about pouring, masking and finishing your painting, and fun.

Instructor will supply the image, reference photo and line drawing, including masking instructions. If you want to learn to paint stunning vibrant paintings, this is the workshop for you. Don't miss out.
